**Lorain County Soil and Water Conservation District is accepting sealed bids for the following:**

## 2007 Chevy Silverado - Sold As Is

We are finally ready to say our final goodbyes to "Crusty" a once-white, smelly, dirty "handyman's special" pickup truck; power nothing – windows, seats, nothing; lumbar support only because a spring is poking from the seat; starts with a key – no fancy remote start option; black seats that heat up when you sit on them; safety assist package includes: absolutely nothing.

Last tires purchased were in 2016, so don't count on them taking you far. Comes with the bed cap. Yes, it leaks. We have dumped nearly $1000 into getting the transmission, fuel tank, & alternator repaired for no good reason because there it sits. Refusing to move. It sits in the parking lot like a barnacle on a whale. Remarkably, it passed its last inspection. So, there's that.

Current mileage = a lot. We don't know because the battery is dead & refuses to be jump started. Probably around 150,000 but could be higher. Comes with a family of mice. Probably chipmunks too.

Please contact our office to view "Crusty" by appointment only. Get your hands on this gem before someone else does. (Please get it out of our parking lot. Seriously. Bring a tow truck. No take backs!)

Please submit sealed bid with your contact info by 4:00 p.m. Monday, December 14th, 2026 to:
Lorain SWCD – Silverado Bid
42110 Russia Rd., Elyria, OH 44035

Bids will be opened during the SWCD board meeting, which begins at 4:30 p.m., Tuesday, December 15th at 42110 Russia Rd., Elyria, OH 44035. The SWCD reserves the right to reject any and all bids (though that's not likely)
