We are now taking orders until May 2<sup>nd</sup> for fingerling-sized fish for stocking your ponds!

ORDERS WILL BE DISTRIBUTED:

**THURSDAY, MAY 8, 2025**

**\*\*12:30 PM—2:30 PM\*\***

LORAIN COUNTY AG CENTER PARKING LOT

42110 RUSSIA ROAD

Remember to enclose payment with your order!

Largemouth Bass, Bluegill, Hybrid Bluegill, Channel Catfish, Red ear Shellcracker, Fathead Minnows, Japanese Koi, Triploid White Amur and Yellow Perch are all available.

You will need to bring a container filled with your pond water to pick up your order. Approximately 5 gallons of water for each 100 fingerling size fish is needed. We suggest using a trash can with a new, unscented plastic liner, then add the pond water so the top of the bag can be tied shut for transportation. Remember, the Amur are 10"-12" long and need a suitable container.

Triploid White Amur are stocked to control leafy pond vegetation. Algae is not a preferred food. The life expectancy is in the 10-to-12-year range. Recommended stocking rates for the Amur are 2 to 5 per surface acre of water, based on how much weed cover is in the pond at its worst point over the summer.

Stocking recommendation for Largemouth Bass is 100 and for Bluegill 500 per surface acre of pond area. Yellow Perch and Redear Sunfish (Shellcracker) can be stocked at 100 per surface acre of pond as well.

Channel catfish can be stocked in ponds that are half an acre or larger. Catfish will not reproduce in a pond; however, they provide excellent fishing. The stocking rate is 50 per surface acre of pond area. A 4"- 6" long catfish stocked this spring can double in size by next spring.

Japanese Koi will eat aquatic vegetation such as duckweed and water meal, while adding a little color to your pond. The recommended stocking rate is no more than 5 Koi per acre.

Nature's Pond Conditioner is a once-a-year treatment that adds a natural green color, while lowering fertility levels in your pond.

We also have Steve Fender's book, titled "Pond Management" 2018 Edition for purchase at \$20.00 each.

**ORDER DEADLINE: FRIDAY, MAY 2, 2025**

**ORDER PICK-UP: THURSDAY, MAY 8, 2025  
12:30-2:30PM**
